Section I - General Information

Thank you for choosing our park for your special event. While using the park, please keep in mind the following park rules:

- If the expected number of guests exceeds 100, an Assembly Permit is required and must be completed 30 days before the scheduled event.
- Vehicles of all kinds are not allowed on sidewalks, grassy areas, or other areas not intended for vehicular use in the City's parks. Pre-approved vehicles transporting handicap persons to and from a shelter are sometimes allowed for unloading and loading purposes only. However, the vehicle cannot remain in the park. This is to protect pedestrians and prevent damage to trees, grass, and sidewalks.
- You are responsible for picking up and removing all trash and litter created by your event. Please remember to utilize the trash receptacles.
- No cooking grease or similar products are allowed to be disposed on the park grounds or on any public streets.
- No temporary structure (i.e., tent) is allowed to be erected in any City park without prior approval. Please mark "YES" on your assembly permit application and contact the Department of Planning, Building, and Development at 853.1090 for more information.
- Refunds will not be issued for cancellations requests received less than 72 hours before the scheduled rental.

If you have problems obtaining use of a shelter during your reservation time, please call 911 for Roanoke Police. For electric and water issues, please call 853.2411 and the appropriate person will be notified. If you need access to electricity, please call Facilities Management at 853.5889 several days before your scheduled event. We hope that your event will be a success and should you have any questions, please feel free to contact the main office at 853.2236.
