I. Purpose:

To offer a well-organized sports program that promotes sportsmanship and provides enjoyment for each participant. Herein these by-laws only cover those games played within the City of Roanoke.

II. Registration:

1. Team registrations must be received by the recreation department before the close of business on the published registration deadline. The entry fee (paid in full) must accompany the registration form for the team. Teams will not be included on the schedule if entry fee is not paid in full by registration deadline. Checks are to be made payable to City of Roanoke. No refunds will be issued after schedules have been created, unless league is dissolved. Team names that the athletic department feels are vulgar or suggestive will not be permitted.
2. Each player's full name (no nicknames) and signature must be on the team roster for them to be eligible to play. No team roster will be considered valid if all players have not signed by their name.
3. Team rosters must be filed with the department before their first game of the season. Rosters will consist of no more than **25** players. Rosters will be open the first two weeks of the season for players to be added and removed; the athletics department must be called to do this. **Rosters are finalized and players cannot be added after the first two (2) weeks for any reason!**
Parks and Recreation reserves the right to review/spot check rosters at any time during the season
4. **By the end of the first two weeks, a valid roster must be submitted or the team will forfeit every game until a valid roster is turned in.**
5. Any team misrepresenting their skill level may be moved to a different division or are subject to be removed with or without refund.

III. League Rules:

1. Players must be eighteen (18) years old on or before the first day of games in order to be eligible to play. Sixteen and seventeen year olds may participate **ONLY in church leagues and only with parental consent**. Parental consent forms are available from the department of parks and recreation office or by visiting our web site.
2. All Church team rosters must be signed by the minister of the church to verify that it is a church sponsored team. Churches that combine to form teams require the pastor's signature from each church.
3. Men are eligible to play only in Men's or Co-Rec. divisions. Women are eligible to play only in Women's or Co-Rec. divisions.
4. Transfer of players during the season is not allowed.

5. **A player is eligible for only one slow pitch team per division. Ex: A player may not play in Men's Rec. Lower and Men's Rec. Upper. Both are considered Men's Recreational divisions.**
6. All players must have matching jerseys with numbers to play. A matching jersey is defined as a uniform top that has the same team name or logo. Different color uniforms are allowed as long as the team name or logo matches. Teams may have shirts with numbers only, but they must be the same color. No vulgar or suggestive jerseys or team names will be allowed. **Teams must have their shirts by the beginning of the third week of the season.**
7. **It will be the official's responsibility to not allow any player on the field without a legal jersey.** If a player is ruled ineligible to play, then the player must be substituted for. If the team does not have a sub, the team will take an out in that spot in the lineup, as long as the number of players doesn't fall below the required number to play.
9. No player is allowed to wear metal baseball cleats in any City of Roanoke Spring or Fall Softball Leagues. Players found to be wearing metal baseball cleats after a game has begun will be immediately ejected. Football cleats (round) can be worn, but an umpire must check them before each game.
10. Teams that take first or second place in the lower leagues can be promoted to the upper league at the athletics staff discretion. Teams in lower leagues that appear to be far more advanced can be promoted to a more competitive league at any point during the season.

3. All games will be **seven innings, sixty (60) minutes in length, or until the mercy rule is met**, whichever comes first, unless there is a tie.
 *Umpires (home plate) will have a timepiece and call out the game's start time, and teams will be responsible for recording it in their own book. **Game time begins when the official calls out the start time for the game.** Once time has expired, the current inning will be completed and no new inning will be started, unless the game is tied.
NOTE: *REGULAR SEASON GAMES WILL NO LONGER END IN TIES*
 - In the event of a tie at the end of regulation; overtime will be played as normal with the following exception, each team, will start there half inning with a runner on 2nd. That runner will be the last person to bat in the previous inning, male or female. This rule applies to the regular season only.
4. If a team is ahead by **fifteen (15) runs after four innings, or ten (10) runs after five innings**, the game will be called. **The flip-flop rule may be used if time permits and a team is down 10 or more runs after 4 at-bats**
5. The city will not supply softballs for leagues. All leagues must supply and hit their own softballs. The only balls that will be permitted are **12"USSSA Classic Plus balls. THERE ARE NO EXCEPTIONS TO THIS.**

Men's	Open	12 inch	Poly	USSSA CLASSIC PLUS
Men's	Church	12 inch	Poly	USSSA CLASSIC PLUS

6. One game ball from each team is to be given to the umpire prior to the start of each game. Balls can be switched at any time, as long as game play is not held up. Teams will hit their own ball; if the batting team's ball is fouled out of play, the other team's ball will be used until the original game ball is brought back into play.
7. Bats must be on the approved bat list from U.S.S.S.A or pass compression testing; the approved bat list can be viewed by going to www.playroanoke.com or <http://resources.ussa.com/ussa/ussa-general/licspmf.htm>.
SENIOR BATS ARE NOT PERMITTED IN THIS LEAGUE.
8. All bats will be tested with a bat compression tester. When a bat passes testing, a City of Roanoke tamper-evident sticker will be placed on the bat's barrel. Only bats with the City of Roanoke sticker will be allowed for use during all City of Roanoke parks and recreation games. Tampering with any bat or sticker is grounds for suspension.
 - If an illegal ball or illegal bat is caught being used, the umpire will take it out of play completely and hold on to it for Parks and Recreation review.
 - The first time a player is caught using an illegal bat or ball, he/she will be called out and all base runners will have to go back to their original bases. Parks and Recreation will review the ball/bat the next business day and if it is found to be tampered with or illegal that person is subject to suspension
 - The second time a team is caught using an illegal bat or ball in the same game; that game will be called and the suspected team will forfeit, pending review by Parks and Recreation.
 - If the umpire did not catch the illegal bat or ball, the team in the field would have to protest the illegal bat before the next batter has put the ball into play.

 - If a bat FAILS testing, it will not be eligible for retest. The details of the bat will be recorded along with the individual that brought the bat for testing. If the same bat is brought back for testing, the individual associated with the bat (name that is in our records) will be grounds for suspension for league games or suspension for the entire season (in accordance with USSSA Rule 2: Section 2 – I).
9. Casts or braces made from hard plastic or metal materials are not allowed to be worn while participating in the game.
10. A game will be considered an official game if five (5) innings have been played (4 1/2) if the home team is winning. If a game gets called in the middle of an inning, after the fifth, the score will revert back to the last completed inning, unless it is the bottom of the inning and the home team is winning. **If a game is stopped before it is official, that entire game will be replayed at a later date.**
11. Items that are not specifically addressed in the by-laws or U.S.S.S.A. rule book are left to the discretion of the official in charge of the game.
12. Players attempting to reach a base should slide or give themselves up if a defensive player is in the act of making a tag (with the ball in their glove) or catching the ball. Base runners should attempt to avoid contact with the defensive player and give themselves up if the out is imminent. If contact does occur and, in the opinion of the umpire, excessive force or intent to make contact with a defensive player is made, the base runner will be called out and depending on severity of the contact could possibly be ejected from the game. Fake tags are not allowed and can result in ejection of the offender.
13. A team may start a game with 9, 10, 11 or 12 players, with the 11th and 12th players being Extra Hitters (EH). **A team starting with 9 players must take an out for the 10th position in the batting order.** Teams that start with 9 players and have the 10th player arrive after the game has started, may insert the 10th player in the game at any time.
14. Should a player become unable to finish a game and the team does not have a substitute, then an out will be called when that player's spot comes up in the batting order. Teams may not drop more than two players per game. Note: In

Co-Rec. leagues, if a female batter comes out of the game and no substitute is available, then a male batter must also come out of the game. *Unless taking a male player out would force you to drop below the minimum of 9 players. Playing with 5 males and 4 females is the only exception to breaking the 1 to 1 ratio. The team still takes an out for the 10th spot in the lineup.*

15. During games a manager and assistant manager who are actually playing in the game will be designated in the official book. During the course of the game the umpire(s) can ask a manager or assistant to control an unruly player(s). If they do not, the player(s) can be ejected and the manager can also be ejected. If no one is designated in the book, then the umpire will eject the offender and the player in the batting order under them. If a manager asks the umpire to eject a player because he/she cannot control them, the umpire can eject only the offender.
16. At no time can a team play with less than 9 players.
17. **Each team will be allowed one (1) male and one (1) female courtesy runner per inning. The male courtesy runner should be the team's last out made by a male; the female courtesy runner should be the team's last out made by a female. Courtesy runners may be substituted for the runner at any time in the inning.**
18. **For safety purposes, the pitcher may pitch up to 6 ft. directly behind the pitching mound.** The pitcher must pitch the ball toward home plate once motion has begun. There will be no faking or hesitation of pitching allowed. There will be no pitching between the legs or behind the back allowed. Any illegal motion will result in a ball being awarded to the batter.
19. The pitching arc will be **3 feet to 10 feet**. The ball after leaving the pitcher's hand must reach a minimum of 3 feet from the release point and not travel higher than 10 feet from the ground.
20. Umpires are not required to call illegal pitches before the ball reaches the batter. If an umpire feels that an illegal pitch has been made, a ball will be awarded to the batter after the ball crosses the plate.
21. A player after hitting a home run has to touch only first base. Any players on the bases at the time of the home run may walk off the field and all runs will be counted.
22. A batter shall be called out after he or she hits second foul after one strike.
23. Players may play anywhere on the field on any given batter.
24. The following home run limits (per game) will be enforced. Home runs that exceed limits will be counted as outs and baserunners will not advance.

League		Limit
Men's	Open	5
Men's	Church	5
Women's	Open	5
Women's	Church	5
Co-Rec.	All	3 (men), 3 (women)

Co-Rec teams may start a game with nine (9) players (5 male, 4 female) but will take an out for the 10th spot in the lineup and the 10th player must be female. This is the only time a team may play with more males than females. A team may bat twelve with the 11th and 12th batters (EH's) being one male and one female or two females.
26. All four (4) outfielders must be positioned on the grass, until the batter swings. No fifth infielder is allowed.
27. In Co-ed. League, the pitcher may be male or female.

28. An outfielder may not throw the ball directly to first base in an attempt to throw out the batter. The outfielder must throw the ball to another infielder who is then allowed to throw to first base.
29. The batting order shall alternate gender. *Exception: When the batting order begins with a female, a team is playing with more females than males or when a team starts with 5 females and 4 males
